

**SANITARY SEWER SYSTEM TAP IN and
RECONNECT APPLICATION**

This application must be completed and approved by the Township of Shaler prior to the purchase of a sanitary sewer tap or reconnecting to an existing tap. This application will verify the correct owner, property address and lot/block number for the sewer tap application.

Please be advised that the Township of Shaler will not issue a building permit for new construction until this application has been completed and submitted.

For existing structures, this application must be completed and approved by the Township of Shaler prior to the issuance of a sanitary sewer tap.

Fee: \$5,730 New Tap-in
